Kids helping kids

Two wonderful children chose to accept donations of food and money in lieu of birthday gifts, and chose to give it to Thunder Bay's Underground Gym. On gym founder Peter Panetta's right is Sam Prezio, 7, and on his left is Jordan McCandless, 11. Sam and Jordan were presented with an Underground Gym T-shirt in appreciation of their unselfish gestures. The other children in the photo are UGG members who were very grateful for the help.
